[REDACTED] Requirements for.

Report No. 25X1X6

REF A : ORR 10949. [REDACTED] 6 May 1957, Secret.  
25X1A2g

REF B : Ch/I/SH Memo to Ch/St/I/R, dated 8 April 1957.

1. Supplementing the requirements listed in Reference B the following additional requirements are submitted:

(a) Report any knowledge concerning shipyards in the Leningrad area with particular reference to plans and programs, ship construction costs, general level of activity in shipyards, shipyard expansion, labor, pay scales, new shipyards under construction, etc.

(b) Report any knowledge regarding construction of naval vessels of all types in Leningrad shipyards; specifically, guided missile submarines, guided missile surface ships, atomic submarines and hydrogen-peroxide propulsion units on submarines, and the status of development of any of these items.

(c) Report any knowledge the source may have on items listed in (b) anywhere in the USSR,

(d) Report any knowledge the source may have regarding the slackening of pace in the construction of surface naval vessels.

(e) Report any knowledge the source may have regarding merchant vessel construction, programs, costs, utilization of building space in shipyards formerly used for naval vessel building, etc.
